Do not love the world or anything in the world. If anyone loves the world, love for the Father is not in them. - 1 John 2:15

Today we seem to be more familiar with how much money and flashy items we can amass, but are they what we really need? The adage, 'Money is the root of all evil' comes to mind. The temptation to be better than your 'neighbour' causes so many people to be in debt sometimes way above their heads. The devil works in many ways to get inside your head and temptation to be upside your neighbour, having pots of money, and living a life of drinking and dining out and generally doing what they want, to the detriment of others less well off. It goes deep into the heart so much that Satan has them in the palm of his hand. They are living in a world that they find difficult to get away from, they are drowning in the ways of the world, and not as God would have them live.

The same rule applies to Christians if we turn to the worldly things then there is no room in our hearts for God. We were taught by Jesus to love God with all our heart and all our mind, Therefore, if we do this it will leave no room for Satan to tempt us. How can we do this? Listen to what God tells us by staying away from the corrupt trends of the world. Do not remain in a friendship which will turn your heart away from your beliefs, then it will be easier to live the life God had intended for you and will be much more rewarding for you and yours. God will lead us if we let him into our hearts and minds so be still and know that I am God. Take the time to be still and listen. You might just be pleasantly surprised at the message that God gives you.
