Matthew 1:23

<sup>23</sup> “The virgin will conceive and give birth to a son, and they will call him Immanuel” (which means “God with us”).

Jesus we know now came into our world so that we may be forgiven. He followed the path laid out for him from his Father, and he did all this for us. All we have to do is to follow in his footsteps and love one another as he loved us. We need to stay close to God to have a working relationship with him, this is what he wants for us. The closer we are in our daily walks with God help us to know his voice and to hear him as he walks alongside us daily. We can share all with him without fear of recriminations. Our heavenly Father wants us to have a clear vision of life and to live in the full promise of eternal life according to his plan in our lives. Of course as we come daily to God we will have a deep and fulfilling relationship and we will be renewed on a daily basis. Take time to listen for God speaking to you, he will be with you always. Let us make sure that we are following daily on the path being guided along the way.

Loving God, thank you that through Jesus we have new life. Thank you for your most precious of all gifts the gift of your son Immanuel. Amen.
