*O LORD, lead me in Your righteousness because of my foes;
Make Your way straight before me. (Psalm 5:8)*

Heavenly Father we have heard your word for over 2000 years through many different parts of our lives, from birth to where we are at today. There have been missionaries taking your word out into the world and have your blessing to go and reach out to many others the truth of your word keeping you in their hearts. We, Father have been brought up by parents who have done the same as the missionaries but at a family level. Encouraging their children to follow in their footsteps to praise and glorify your name for all to hear. We have known of the others coming to Christ in adult life discovering that you walk with them through their lives some of whom have had very difficult times. But you Lord walked with them upholding them in your love. Loving Lord we thank you that you have given us all we have needed. You have kept us in your heart even if we let you down and you pick us up loving us always. We are so thankful that you walk and keep us safe with you. Help us to remember to do likewise and always praise and glorify your precious name.

Father we thank you for all the good things you give us and we want to give you the best we can give in recognition of the goodness of your eternal love to us. Heavenly Father we thank you.
Amen.
